South Lawndale Boundaries

Industrial Corridor Boundaries
New or Proposed Logistics Facilities

TDL Facilities, or Companies that use TDL Services

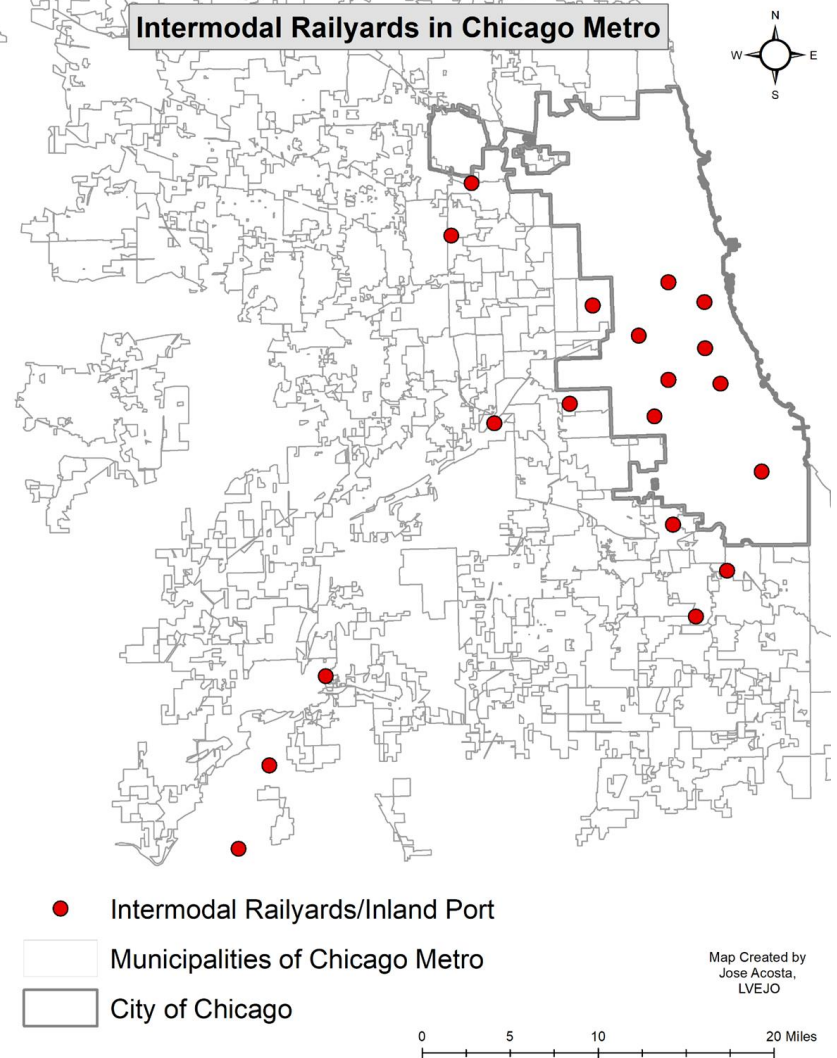

Total Schools within 1 Mile of LV Industrial Corridor — 25

Total Students within 1 Mile of LV Industrial Corridor — 14,263

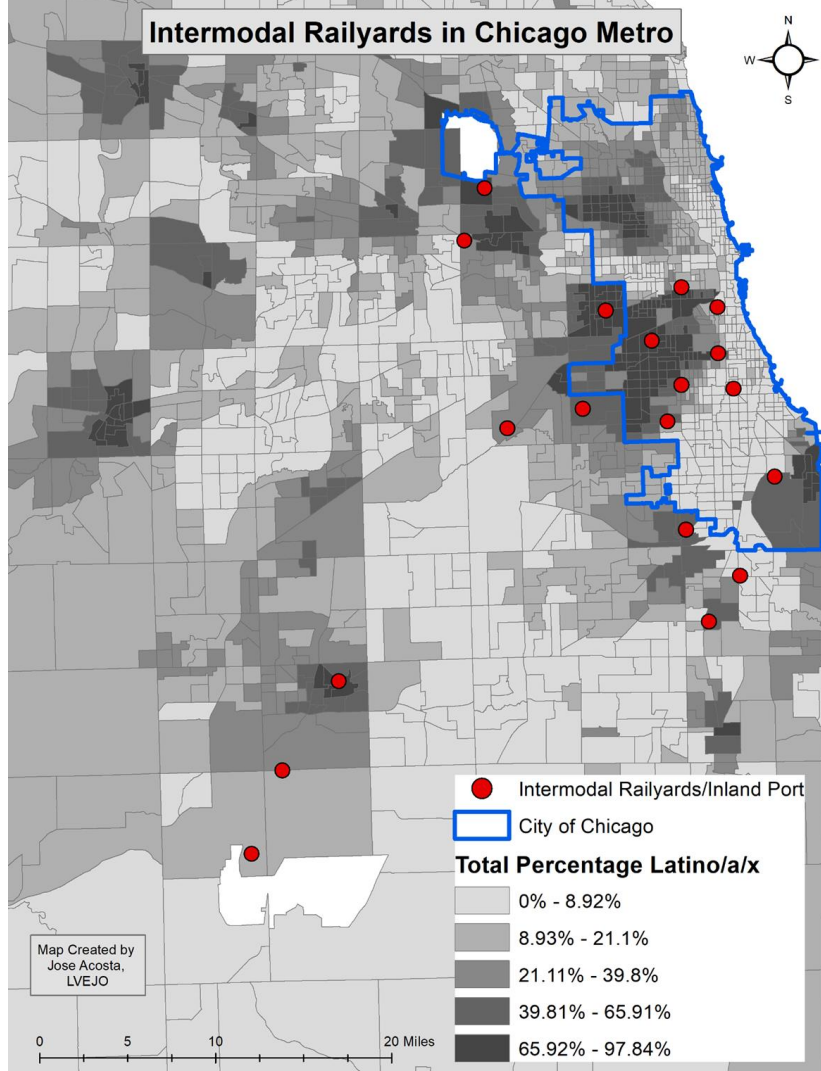

Map of Intermodal Railyards

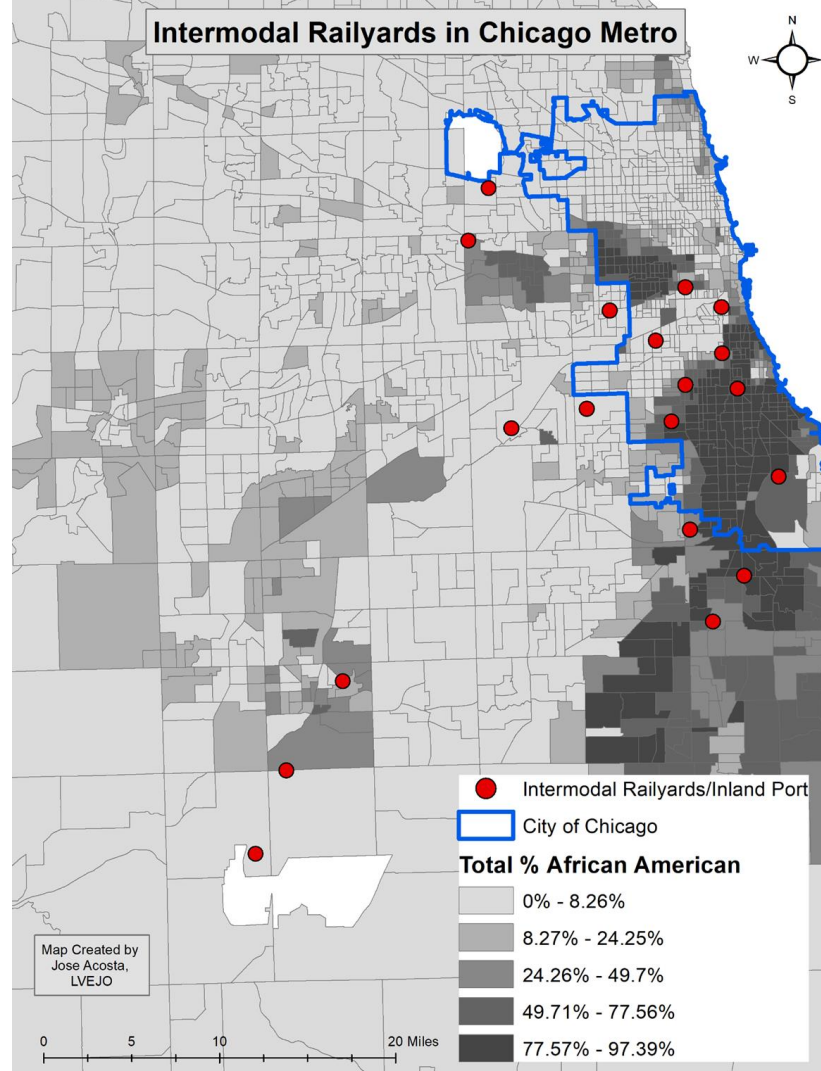

- Freight hub of North America
- 6 out of 7 Class I railroads converge
- 19 intermodals/inland ports in Chicago region
- 8 within city limits
- Chicago's most direct connection to global trade
- Primarily located in low income and communities of color

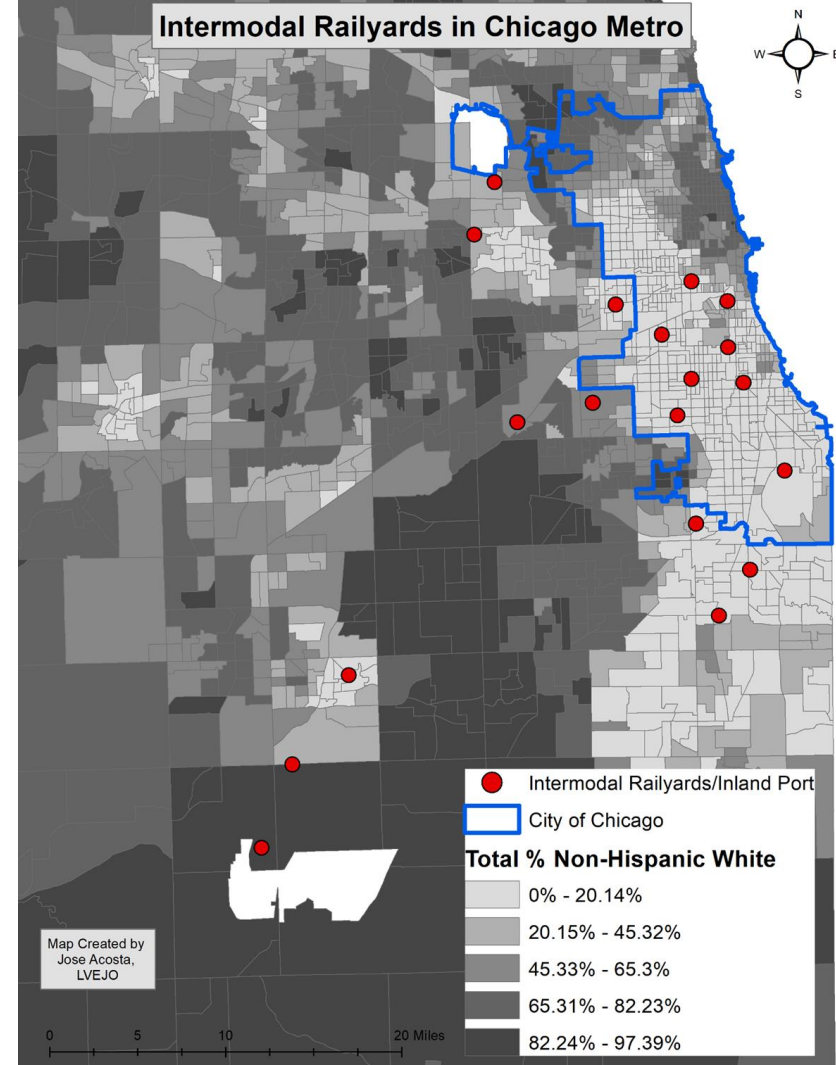

Intermodal Railyards in Chicago Metro

Intermodal Railyards in Chicago Metro

- Vast majority of these intermodals are located in communities that are predominantly BIPOC
- Warehouses, distribution centers, logistics hubs locate near these intermodals
- Disproportionate impact of medium and heavy duty truck traffic
- Electrification of MHDs should be concentrated in port adjacent and EJ communities

Thank you!
